Re: WARN Notice – Detroit Entertainment, L.L.C. d/b/a MotorCity Casino Hotel

Dear Ms. Howard,

MotorCity Casino Hotel (“MCC”) is providing the following information pursuant to the Federal Worker Adjustment and Retraining Notification Act of 1988 (“WARN Act”) which requires employers to give notice to certain persons and government officials of a pending mass layoff or plant closing. We are taking this step in recognition of the impact of the emergency order (“Order”) issued by the Michigan Department of Health and Human Services on Sunday, November 15, 2020 requiring MCC to close its casino and related facilities (located at 2901 Grand River Ave, Detroit, MI 48201) by 12:01 a.m. on November 18, 2020. As you likely know, that Order requires the closure of the casino and related facilities to continue from November 18, 2020 through December 8, 2020 (the “Pause Period”) in an effort to stem the spread of COVID-19. Given all of the mitigating protocols that MCC had successfully instituted, we were very surprised to receive that Order. We had no choice, however, other than to comply; thus, by the end of the day on November 17, 2020, we had closed to the public and taken the necessary steps to cease all operations.

As a result of this closure requirement, nearly all of our employees who were actively back at work were placed on furlough status effective November 18, 2020. Because of the short notice and the need to wind down some aspects of our operation, some employees need to continue to work but will be placed on furlough over the next 14 days. Ultimately, only a very small group of employees will continue to work, largely in capacities involving maintaining the security of our complex and its systems. Those placed on furlough will continue on that status through December 8, 2020. During the Pause Period, MCC will be providing health care benefits for each furloughed employee who was actively employed and enrolled in one of MCC’s health care plans on November 17, 2020; that health care coverage will also remain in effect during the Pause Period for the employee’s dependents who were included in the employee’s coverage under one of those plans on November 17, 2020.

Obviously, the issuance of the Order was unforeseeable and beyond our control, and the basis on which reopening will be permitted is unknown to us and beyond our control. Unfortunately, given the uncertainties regarding containing the spread of COVID-19 in Michigan, we are not confident that re-opening of the casino and related facilities will actually be permitted on December 9, 2020. If MCC is unable to re-open its casino and related facilities on December 9, 2020, the status of employees who are then on furlough will be converted to layoff status,

2901 Grand River Avenue, Detroit MI 48201 • 866-PLAY-MCC • MotorCityCasino.com

9171 9690 0935 0221 3962 00

effective that date, and benefits will end then, subject to COBRA rights. Further, even if the closure obligation is lifted then or on some other date in the next several months, MCC anticipates that its operations will be subject to capacity limitations and/or other restrictions that will severely limit operations and thereby make it unrealistic to return to work all of the employees who had been back at work when the Order went into effect. Thus, it is very possible that some furloughed employees will be converted to layoff status and will remain on that status after we re-open. We are also concerned that rolling closures and/or restrictions on our operations will continue for some time, perhaps well into calendar year 2021, further impairing our ability to return our employees to work.

Accordingly, although we remain hopeful that all of our employees will be returned to work in the very near future, we believe that these new circumstances make it reasonably foreseeable that certain employees placed on furlough on November 18, 2020 (or in the next 14 days) may remain off work, ultimately on layoff status, for a period beyond six (6) months from their original date of furlough, and the employment loss could become permanent for some Associates. Because of that, we believe this situation may constitute a covered event under the Federal Worker Adjustment and Retraining Notification Act of 1988 (“WARN Act”), which requires employers to give notice to certain persons and government officials of a pending mass layoff or plant closing. Thus, out of an abundance of caution, we are providing you with this notice, in conformity with the WARN Act. Please note, however, that we are not conceding that the WARN Act applies or that notice is required.

Consistent with the forgoing explanation, attached is a list of the job titles of positions that are affected and the number of employees in each position. The currently scheduled date for permanent layoffs is on or about May 18, 2021 (which date may be changed, if circumstances warrant). Employees who are represented by unions may have recall and/or bumping rights under the collective bargaining agreement that covers them, and we will, of course, honor those rights. Those employees who are not represented by unions do not have bumping rights.

There are seven (7) separate unions representing various employees working for MCC. UNITE HERE Local 24, International Union of Operating Engineers Local 324, United Auto Workers Local 7777, and International Brotherhood of Teamsters Local 1038 represent employees as part of the Detroit Casino Council. Security Officers are represented by Security, Police and Fire Professionals of America (SPFPA) Local 1212. Surveillance Hardware Technicians and Surveillance Operators are represented by the United Government Security Officers of America (UGSOA), Local 265. On call employees who perform services for MCC within its theatre and convention center are represented by I.A.T.S.E. Local 38.

Contact information for the unions is as follows:
