AMENDED ORDER ALLOWING ORAL AND WRITTEN ARGUMENT ON  
 MRTMA FIRST IMPRESSION CASES  
 AND INVITATION FOR SUBMISSION OF AMICUS BRIEFS

This amended order corrects the date of the hearing from August 25, 2020, to August 25, 2021, reflected in the last bullet point on page 2. The remainder is unchanged.

These three separate cases are before the Unemployment Insurance Appeals Commission (Commission) from timely appeals of Administrative Law Judge decisions. Each case involves the following matter of first impression:

**The impact of Michigan Regulation and Taxation of Marihuana Act, MCL 333.27951 *et seq*, on the application of Sections 29(1)(b) and 29(1)(m) of the Michigan Employment Insurance Act in unemployment insurance benefit determinations.**

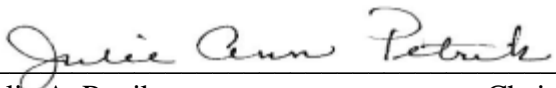

The Commission has determined that oral and written argument from the parties would assist in its deliberations. It thus orders the presentation of oral argument under Mich Admin Code, R 792.11420(4) and written argument under Rule 792.11423(4)(c).

Additionally, the Commission believes that public interest groups and members of the claimant and employer communities could offer arguments and legal authority that may be helpful to the Commission's deliberations. The Commission thus invites the submission of amicus briefs. See Rule 792.11423(8).

The briefing and oral argument schedule is as follows:

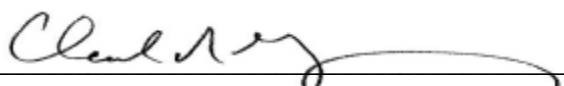

- Written argument, together with a statement of service on the other party, shall be received by the Commission by August 2, 2021.
- Reply briefs, if any, together with a statement of service on the other party, shall be received by the Commission no later than 14 days after the mailed date of the other party's written argument.
- Amicus briefs, together with a statement of service on all parties, shall be received by the Commission by August 9, 2021.
- Oral argument to be presented via Zoom on August 25, 2021, at 10:00 AM, Zoom credentials to follow.

Briefs will be posted to the Commission website with the party's identifiers redacted.
