Q18 The Michigan Community Service Commission will award projects that we clearly understand. Please describe the service project in detail. Girls Group of Anytown recently participated in a National Homeless Awareness Week event and learned that there is much they can do to help ease the struggle of those experiencing homelessness. As a result, the group has planned to make fleece blankets for each of the residents at the Anytown Rescue Mission. Because they are also learning how to prepare nutritious meals for themselves, they have also planned to prepare a hot decent meal for the residents while they visit the shelter to deliver the blankets they make. The girls will also be able to learn that they not only can help those less fortunate but that the stigma of homelessness is unfair. Hopefully that will carry on with them into the future as they realize their own potential to make a difference in their community.

Q19 Who will be your volunteers and how will you recruit them to participate?

Girls Group members and leaders. This activity takes place during their regularly scheduled weekly meeting.

Q20 Please list all the community partners and organizations that will be assisting with the volunteer project:

Anytown Rescue Mission
First National Bank
Super Valu Foods
JoAnn Fabrics

Q21 BUDGET NARRATIVE: Please describe in narrative terms what this funding will be used for? Why is it essential to the success of the community volunteer project? Please cite items and amount to be spent on each item. Be sure to include budgeted \$1 for \$1 match.

Funding from this support award will be used to purchase fleece for the blankets being made and given to homeless shelter residents. Other funds and support provided will include food items for meal being prepared and scissors to cut fleece. We have a generous sponsor that pays for our bus when we have outings.
