Claimant's Statement of Wages

Employers are required to report quarterly wages for each employee to the Unemployment Insurance Agency (UIA). A claim for unemployment benefits is based on these reported wages. You were sent a *Monetary Determination* that provided information regarding your claim for unemployment benefits. This monetary determination showed you the wages reported by your employers and/or informed you that an employer(s) did not report wages for you.

This Form UIA 1718, *Claimant's Statement of Wages*, must be completed by you if either you disagree with the wages reported by an employer or an employer did not report wages for you at all. Carefully read and follow the directions to complete this form. Mail to the Unemployment Insurance Agency, P.O. Box 169, Grand Rapids, MI 49501-0169 or Fax at 1-517-636-0427.

Check the reason you are completing this form:

- Wages earned with _____ that I included on my claim for unemployment benefits were not included in the calculation of my Monetary Determination.
Name of Employer
- I disagree with the wages reported by _____ as shown on my Monetary Determination.
Name of Employer
- I never worked for or was not paid by _____ as shown on my Monetary Determination and to request the reported wages not be used. Complete Section E only.

Section D - Quarterly Wage Information

You must report the quarterly gross wages (before taxes) on the chart on the next page. There are four calendar quarters per year. The quarters are numbered and are the same from year to year. Each quarter contains three calendar months as follows:

1st Quarter	January 1	through	March 31
2nd Quarter	April 1	through	June 30
3rd Quarter	July 1	through	September 30
4th Quarter	October 1	through	December 31

The involved quarters are the same quarters that are shown on your *Monetary Determination* under the heading "Monetary Determination Calculations". Label the chart on the next page with the same quarter dates.

- If you are completing this form because wages earned with an employer that you included on your claim were not used in the calculation of your *Monetary Determination*, complete all quarters that contained wages from that employer.
- If you are completing this form because you disagree with the wages reported by your employer, complete only the quarters that you disagree with.

If your address changes, it is important to update it with the Unemployment Insurance Agency.

If you have questions, you may contact us through your MiWAM account or by calling 1-866-500-0017. For telephone or Local Office hours of operation, visit www.michigan.gov/uia. TTY service is available at 1-866-366-0004.

These quarterly charts allow you to enter wage information per week to help you determine your quarterly total wages. If you know your gross wages for each quarter, complete only the Total Quarterly Wage box for each involved quarter. Wages are reported in the quarter they are paid to you.

Example: You may have worked during the last week of March (1st quarter), but you were not paid until April (2nd quarter). These wages must be reported in the 2nd quarter (the quarter containing the date you were PAID).

You are required to send in clear, legible proof of wages to support the information you provide on this form. This can include check stubs, W-2s, payroll records, or a letter from the employer with payroll information. Proof of wages must be included in the order for the Unemployment Insurance Agency to use the information you are providing.
