

VETERANS: NEW AND REWARDING CAREER OPPORTUNITIES

Registered Apprenticeship Programs

Are you a veteran or a member of the National Guard or Reserve looking for a new and rewarding career opportunity?

Did you know that **Registered Apprenticeship Programs** (RAP) provide employment opportunities in nearly every industry? Traditional apprenticeships in industries like **construction** and **manufacturing** are still out there, but so are opportunities in emerging sectors like **energy, health care** and **information technology**.

WHAT CAN REGISTERED APPRENTICESHIP PROGRAMS OFFER?

- ✓ **Earn a competitive wage** with scheduled pay increases from day one.
- ✓ **Earn nationally recognized credentials** within your chosen career path.
- ✓ Because many apprenticeships are approved for GI Bill® benefits, **you could receive a monthly stipend** in addition to your apprenticeship wages.
- ✓ **Ease the transition from school to career** by working and learning at the same time.
- ✓ **Gain knowledge and skills from on-the-job learning** and job-related classroom training.
- ✓ **Get academic credit toward a college degree** for the skills you learn while avoiding student debt.
