

## 1 Who Should Attend . . .

This online program is a must for anyone concerned about health and safety on the job including:

- ▶ Managers concerned about workers' compensation costs.
- ▶ Employees who want to learn proper techniques for protecting their safety and health at work.
- ▶ Business owners who want to learn about compliance with Michigan Occupational Safety and Health Administration (MIOSHA).

## 2 MIOSHA Training Institute

MIOSHA Consultation Education and Training (CET) Division and Macomb Community College (MCC) have developed the MIOSHA Training Institute (MTI) through a formal alliance. The MTI introduced an Assessment-Based Certificate program, effective October 1, 2007. The certificate program offers participants an opportunity to be recognized for their educational efforts and increased technical expertise. Courses are offered throughout the state in sponsorship with other M-TEC<sup>SM</sup> facilities, community colleges, and safety and health organizations. To learn more about the certificate program, log-on to the CET Division website at [www.michigan.gov/mti](http://www.michigan.gov/mti).

## 3 What You'll Learn . . .

This half-day workshop thoroughly discusses the requirements of MIOSHA Part 7, Guards for Power Transmission. Topics include: complete review and interpretations of the standards; employer and employee responsibilities; terms and definitions; guards and devices used in industry; power transmission; disconnects and lockouts; and specific guarding requirements. Interactive discussion and exercises have been designed to enforce the concepts presented. **Virtual classroom with an in-person instructor. This training format can be taken from the office, home, or remotely.**

# Facilitator

Augustine Syrový joined MIOSHA in 2018. He serves in the Consultation Education and Training Division as an occupational safety advisor and consultant to businesses, industry, unions, employee groups, schools, colleges, municipalities, counties, and other state agencies. He assists these groups in collecting, organizing and reviewing information in workplaces to determine what types of occupational hazards may be present and likely to affect workers. He works with management and employees alike to prevent, control and eliminate known or potential hazards. In addition, Augustine develops and delivers occupational safety training seminars to his constituents. He covers Washtenaw, Jackson, Eaton, Ingham, Livingston and southwest Oakland counties.

Prior to joining MIOSHA, Augustine was a fire service Captain and member of a county technical rescue team which responded to high angle rope, confined space, trench and structural collapse rescues. He has a Bachelor of Applied Science in Fire Technology from Siena Heights University.

Presenters: Augustine Syrový, Occupational Safety Consultant and Mike Brodzik, Senior Occupational Safety Consultant; MIOSHA, CET Division
