

An Informative Three-Day Instructor-Led Virtual Seminar:

MIOsha General Industry 10-Hour +

1 Who Should Attend . . .

This live online seminar is a must for anyone concerned about health and safety on the job including:

- ▶ Managers concerned about workers' compensation costs.
- ▶ Employees who want to learn proper techniques for protecting their safety and health at work.
- ▶ Business owners who want to learn about compliance with Michigan Occupational Safety and Health Administration (MIOsha).

2 MIOsha Training Institute

MIOsha Consultation Education and Training (CET) Division and Macomb Community College (MCC) have developed the MIOsha Training Institute (MTI) through a formal alliance. The MTI introduced an Assessment-Based Certificate program, effective October 1, 2007. The certificate program offers participants an opportunity to be recognized for their educational efforts and increased technical expertise. Courses are offered throughout the state in sponsorship with other M-TECSM facilities, community colleges, and safety and health organizations. To learn more about the certificate program, log-on to the CET Division website at www.michigan.gov/mti.

3 What You'll Learn . . .

In today's challenging business climate, many employers are faced with the need to have their employees be capable of performing new or multiple job functions. As personnel shift to accommodate business needs, it is essential to have staff understand the importance of safety and health management and the underlying effect it has on business. In three days this fundamentals course offers the resources and tools to create or enhance an effective safety and health management system, a review of the MIOsha Act, and highlights of many key General Industry Safety and Health Standards.

Topics include elements of a comprehensive safety and health system, recordkeeping, accident investigations, inspections and citations, written program requirements, introduction to industrial hygiene, respiratory protection, hearing conservation, bloodborne infectious diseases (BIDs), eyewash and first aid requirements, ergonomics, hazard recognition, and machine guarding. **Virtual classroom with an in-person instructor. This training format can be taken from the office,**

Agenda

- ▶ Incident Investigation
- ▶ Ergonomics
- ▶ First Aid, Eye Wash, and Bloodborne Infectious Diseases
- ▶ Recordkeeping
- ▶ Hazard Recognition and Self Inspection
- ▶ Introduction to Industrial Hygiene
- ▶ Respiratory Protection
- ▶ Hearing Conservation
- ▶ Recommended Practices for Safety and Health Programs
- ▶ CET Services
- ▶ Required Written Programs
- ▶ When MIOsha Visits

All meetings are accessible and barrier free. Please contact the cosponsor or the CET Division, at least 30 days in advance, to request necessary accommodations.

Facilitator

Robert Atkins is an Occupational Safety Consultant with the Consultation Education and Training Division of MIOSHA. Robert currently provides consultation and training services for the Northwest Michigan counties surrounding Grand Traverse county.

Before working with the State of Michigan, Robert was an Environmental, Health & Safety Supervisor and Plant Sanitation Supervisor. His duties included accident investigation, safety training for new employees, annual safety training for all employees, chair of plant Safety committee, forklift certification and permit holder for storm water, RO water and Non-contact cooling water permits. Additional responsibilities included administration of all plant sanitation events.

Robert has a long work history in food manufacturing and aerospace. He is a graduate of Regis University with a Bachelor of Science degree in Business and Leadership.

Presenters: Robert Atkins and John Bodnar, Occupational Safety Consultants; and Jamie Green, Industrial Hygienist; MIOSHA, CET Division
