

# BRAILLE ENHANCED STORYWALK® IN MICHIGAN

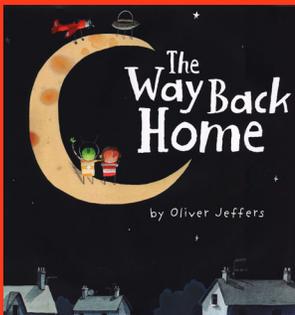

**35 Michigan libraries** created a StoryWalk® for their community.

“A young library patron who also happens to be blind shared in a Facebook video why this StoryWalk® was so **important** and how much she enjoyed **being able to read a story outdoors.**”

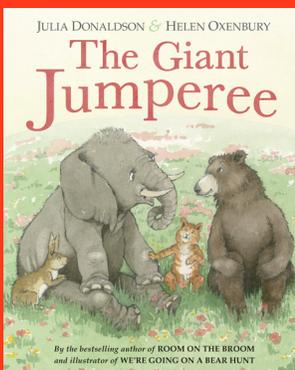

- Howard Miller Library

The combined service areas of all participating locations totals **1,712,029 people!**

**46%** of libraries chose *The Way Back Home* by Oliver Jeffers.

“The kids were so excited to find out what happened next **they ran to the next page.** Reading a book in such a new and unique context... helped **spark interest and enthusiasm.**” - Stair Public Library

The StoryWalk® Project was created by Anne Ferguson of Montpelier, VT and developed in collaboration with the Kellogg-Hubbard Library. Storywalk® is a registered service mark owned by Ms. Ferguson. This resource is supported in part by the Institute of Museum and Library Services administered by the Library of Michigan.

Low Incidence Outreach
