MMFLA and MRTMA Prequalification Extension

In response to the Executive Order [2020-04](#) – Declaration of State of Emergency issued by Governor Whitmer, the Marijuana Regulatory Agency (MRA) is taking proactive steps to address the inevitable building delays that applicants may experience due to the necessary responses taken to prevent and prepare for the spread of Coronavirus Disease 2019 (COVID-19). We are temporarily extending the period of prequalification status for applicants under the Medical Marijuana Facilities Licensing Act (MMFLA) or the Michigan Regulation and Taxation of Marijuana Act (MRTMA).

Effective March 18, 2020, the prequalification status expiration date for MMFLA and MRTMA applicants are extended for a period of 90 days for the following:

- All applications currently in prequalification status
- All applications currently in an approved extension of prequalification status
- All applications granted prequalification status during the next 90 days

The MRA will continue to assess the situation and will make any necessary adjustments.

The state is taking proactive steps to mitigate the spread of COVID-19 in Michigan. We appreciate your understanding and cooperation in reducing the coronavirus risk to Michigan residents.
