This is a notification of your test results for the Michigan Commission On Law Enforcement Standards' Law Enforcement Officer Licensing Examination.

THIS IS NOT PROOF OF MCOLES LICENSING AS A LAW ENFORCEMENT OFFICER IN MICHIGAN.

To become a licensed law enforcement officer in Michigan you must be employed by a law enforcement agency, screened for compliance with the Commission's selection and employment standards, conferred full law enforcement authority, and officially activated by the agency.

If you are an in-service basic training graduate, you are eligible for licensing only at the specific request of the law enforcement agency that paid for your training.

If you are not employed by a law enforcement agency within one year from the end date of your basic training session, your eligibility for licensing will expire.
