Making a Difference - Dispatchers

Course ID: PBSV-5789

Description: Newspapers and other media outlets have stories almost daily on the heroic acts performed by first responders, and often the title of 'hero' is thrown out there and in most cases justifiably so.

But often overlooked in their efforts are the people who stand as the very foundation for most of those heroic deeds, those in our 9-1-1 Centers, aka, 'The Silent Heroes.'

Chief Lasky points out the commitment and selflessness of those who protect so many from behind the console.

The Adaptive FTO

The Adaptive FTO teaches FTOs (and through FTOs’, efforts, the trainee) how to become emotionally aware of trigger points leading to over-reaction. It is a method of recognizing de-escalation before it is time to de-escalate. It also makes for a more empathic officer who understands that not every situation is resolved through enforcement, whether a traffic citation, a summons, or an arrest. The Adaptive FTO will create a developmental framework for training the future of your organization.

Course Title: When Things Go Bad
Course ID: MDFI-WTGB-2018
Description: Life happens. Bad things happen. For this reason we need to train for when things aren’t all rainbows and kittens. When Things Go Bad is built around the fact that in a defensive situation, we may lose the ability to employ the perfect shooting techniques or have the support of both hands by injury or need. This class is designed to prepare the student to keep their handgun up and running regardless of the situation.
