

2018 Governor's Service Awards Sponsorship Opportunities and Benefits

The Governor's Service Awards will take place on **Tuesday, June 5 at the Wharton Center in East Lansing**. The event will honor award winners in 11 categories including Michigan's top volunteers, organizations, humanitarians and service leaders.

For more than 26 years, the Michigan Community Service Commission (MCSC) has supported Michigan volunteers, organizations and businesses that are committed to service and play a critical role in improving the lives of people and our communities. To recognize those who go above and beyond, Michigan's governors have presented the Governor's Service Awards since 1994.

We invite you to join in supporting the 2018 Governor's Service Awards

All proceeds will help support the MCSC's volunteer and service initiatives, including mentoring and youth initiatives, AmeriCorps service, disaster community preparedness, national days of service grants, along with supporting the Governor Service Awards event. Sign up to make your commitment here: <https://www.surveymonkey.com/r/2018GovernorsServiceAwardsSponsorship>
