

What Is AmeriCorps?

AmeriCorps provides opportunities for 75,000 Americans to give back in an intensive way to their communities and country each year. It consists of three main programs: AmeriCorps State and National, whose members serve with more than 2,900 national and local nonprofit and community groups; AmeriCorps VISTA, through which members serve full time fighting poverty; and AmeriCorps NCCC (National Civilian Community Corps), a team-based residential program for young adults 18-24 who carry out projects in public safety, the environment, youth development, and disaster relief and preparedness.

What Do AmeriCorps Members Do?

AmeriCorps members do a wide range of things. They recruit, train, and supervise community volunteers, tutor and mentor youth, build affordable housing, teach computer skills, clean parks and streams, run after-school programs, help communities respond to disasters, and build the capacity of nonprofit groups to become self-sustaining, among many other activities.

What Benefits Do AmeriCorps Members Receive?

What Can I Do During AmeriCorps Week?

Those with a special interest in AmeriCorps are encouraged to use their creativity to mark the week in any way they see fit. For example, members and alumni could make presentations to students or community groups. Grantees could stage an open house, service project, or volunteer fair.
