STATEWIDE CERTIFICATION ON-LINE EXAMINATION SCHEDULE

The Michigan Department of Agriculture and Rural Development (MDARD) offers certified Pesticide Applicator and Registered Applicator exams at multiple locations throughout the state. The exam schedule varies statewide to allow applicants an opportunity to take the exam at a time and location that is closest or most convenient.

You will schedule your appointment through the self-service link at www.michigan.gov/pestexam. Using an interactive map of Michigan, you can quickly locate available exam sessions by county then register for an exam by typing in your name and daytime telephone number. It's quick, easy, and you can print a confirmation from the site and also receive an electronic confirmation if you provide an e-mail address.

Note: There is a link on the welcome page at www.michigan.gov/pestexam that does allow you to print a full listing of the available exam sessions.

REMEMBER--EXAMS ARE GIVEN BY APPOINTMENT ONLY

Seating is limited so you must schedule an appointment.
