 We are working very hard to clean up the wild cats. We do have some trap and release programs around the county. We do have a grave issue with rescue groups, importing from out of state, and stealing animals and transporting out of state.

We have a great Shelter here in Cass County, But your posting of the reports on the web, is bringing negative to our shelter and it is a PR nightmare. We are fighting people out of State and out of county. But in our area BIG Support! Reclaim is missing on this form. Why are we doing this?
