

## **Out-of-State Exhibitors of Goats**

1. Goats imported into Michigan for exhibition shall be accompanied by an official interstate health certificate or official certificate of veterinary inspection prepared by an accredited veterinarian from the state of origin.
2. Goats entering this state shall meet one or more of the following requirements regarding bovine tuberculosis:
  - a. Originate directly from an accredited bovine tuberculosis-free state or bovine tuberculosis-free zone as defined in *Title 9 in the Code of Federal Regulations* and the *Bovine Tuberculosis Eradication: Uniform Methods and Rules, effective January 22, 1999*, approved by the United States Department of Agriculture (USDA), Animal and Plant Health Inspection Service (APHIS), Veterinary Services (VS) and all amendments to those publications thereafter adopted pursuant to the rules that the director may promulgate, **OR**
  - b. Originate directly from an accredited bovine tuberculosis-free herd as defined in *Title 9 in the Code of Federal Regulations* and the *Bovine Tuberculosis Eradication: Uniform Methods and Rules, effective January 22, 1999*, approved by the United States Department of Agriculture (USDA), Animal and Plant Health Inspection Service (APHIS), Veterinary Services (VS) and all amendments to those publications thereafter adopted pursuant to the rules that the director may promulgate, **OR**
  - c. Regarding goats not meeting the requirements of a. or b., or both, originate directly from a state or a zone whose bovine tuberculosis status is less than accredited bovine tuberculosis-free as defined in *Title 9 in the Code of Federal Regulations* and the *Bovine Tuberculosis Eradication: Uniform Methods and Rules, effective January 22, 1999*, approved by the United States Department of Agriculture (USDA), Animal and Plant Health Inspection Service (APHIS), Veterinary Services (VS) and all amendments to those publications thereafter adopted pursuant to the rules that the director may promulgate, shall originate from a herd that has had a negative official whole herd test as defined in Section 9 within the preceding twelve (12) months and the individual goats being imported shall have had a negative official test for bovine tuberculosis within sixty (60) days before entry.
3. Goats entering this state shall meet one or more of the following requirements regarding brucellosis:
  - a. Goats entering Michigan for exhibition purposes only, and returning to their state and premises of origin following the exhibition, have no brucellosis test requirement.
  - b. Goats entering Michigan to remain in Michigan must meet the brucellosis test requirement as follows: Goats more than six (6) months old, except wethers, shall test negative to an official test for brucellosis within thirty (30) days before importation, with the official results of the test recorded on the official interstate health certificate or certificate of veterinary inspection by the accredited veterinarian preparing the certificate, or originate directly from a herd that is certified brucellosis-free.
