

Michigan Potato Grower Records Review Checklist

In accordance with Act 94 of 2018, 286.683 and 286.685 the following information needs to be made available for an independent records review. Growers shall maintain the records for a period of at least two years at the grower's business address.

- Official tag or bulk certificate indicating their status as certified seed
- A certificate of shipping point inspection
- A North American plant health certificate issued by the certifying authority for seed potatoes imported from outside of this state
- Field year
- Field identification
- Acreage planted by cultivar
- Hundredweight and source of the seed potatoes used to plant the acreage
