Dear Mr. Conway:

Chrysler LLC is providing notice under the Worker Adjustment and Retraining Notification Act that, due to present market conditions, up to 25% of its salaried and supplemental workforce will be reduced by December 31, 2008. These actions are expected to be permanent and include employees at the following facilities:

Chrysler Headquarters and Technology Center  
1000 Chrysler Dr.  
Auburn Hills, MI 48326

Chrysler Plymouth Road Office Complex  
14250 Plymouth Rd  
Detroit MI 48227

Chrysler Chelsea Proving Grounds  
3700 South M-52  
Chelsea MI 48118

Chrysler Mopar Parts Supply Office and Centerline Complex  
26311 Lawrence Ave.  
Centerline, MI 48015

Most employees will have benefits available to them through company-sponsored benefits plans. Bumping rights do not apply. We will provide more specific information as to how many employees within each job classification will be separated as soon as we have information to make separation decisions.

If you have any questions, please contact Christine Estereicher, Senior Manager, External Affairs and Public Policy, at 248.512.3354.

Sincerely,

**RECEIVED**
