RE: Livonia, Michigan, Plant Closing

Dear Ms. Hennessey:

This notice is being provided pursuant to the Worker Adjustment and Retraining Notification Act of 1988, which requires employers to give official notice to certain government units of officials of a pending facility shutdown.

Due to our customer's decision to transfer business to other facilities, SUPERVALU will shut down at its warehouse facility located at 12701 Middlebelt Road, Livonia, Michigan, in the near future. Although the exact date of closure has not yet been established, we anticipate that it will take place on or about May 31, 2008. Position eliminations will begin the week of February 24, 2008, and we expect the majority of positions to be eliminated on or about March 25, 2008. This closure will be permanent.

We anticipate 366 employees will be affected by this closure. A list of the affected positions, and number of employees holding those positions, is attached. Affected employees do not have bumping rights.

Some of these employees are represented by the International Brotherhood of Teamsters, Local 337. The chief elected official of this union is Robert Barnes, Business Agent/Trustee, Teamsters Local 337, 2801 Trumbull Ave. Detroit, MI 48216.

Sincerely,

Michael Bjerke
