Dear Ms. Canfora:

Subject: WARN Act Notice to Represented Employee

The purpose of this letter is to advise you that Automotive Components Holdings, LLC will be permanently laying off one represented employee at its Milan Plant located at 800 County Road, Milan, MI 48160 as a result of the sale of the fuel tank business at that location.

The attached list provides the job title of the affected employee and the anticipated date of separation. This reduction may be affected in the interim by a number of factors such as voluntary quits, retirements and other changes to the workforce. Bumping rights do not exist for this represented employee.

It is anticipated that the employee will be impacted by this action between the dates February 28, 2011 and March 14, 2011.

For further information regarding this matter, please contact myself at (734) 481-9421.

Yours truly,
