RAPID RESPONSE

Dear Ms. Canfora:

Pursuant to the requirements of the Worker Adjustment and Retraining Notification Act (the "WARN Act"), this letter is being provided to notify you of the anticipated reduction in force at AEES, Inc.'s ("AEES" or "Company") Grand Traverse Stamping facility located at 2707 Aero Park Drive, Traverse City, Michigan 49686. By providing this notice, the Company does not concede or admit that the Act applies or that notice is otherwise required. We expect the reduction in force to commence on or about March 1, 2010 and to be completed by June 30, 2010.

This is anticipated to be a permanent layoff of the affected employees and will involve the closing of the GTS Traverse City operating unit. A total of approximately 24 employees are anticipated to be separated from their employment with the Company. The anticipated layoff schedule is as follows:

<u>Job Title</u>	<u>Number of Employees</u>	<u>Date of Separation</u>

AEES has already advised all of the affected employees of this situation. At this location AEES's employees are not represented by a union and do not have any bumping rights.

In the event business circumstances should change, the company reserves its right to cancel the anticipated layoff and will let you know as soon as practical of any material changes.

Re: Extension of November WARN Notice

Dear Ms. Canfora:

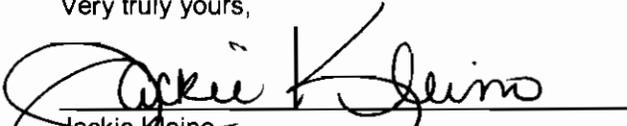

This letter is in reference to the WARN notice you received from AEES, Inc. ("AEES" or "Company") in November.

Pursuant to the requirements of the Worker Adjustment and Retraining Notification Act (the "WARN Act"), the Company hereby notifies you and the State of Michigan that the date we expected the reductions in force to commence has been postponed from the two-week period beginning January 15, 2010 and ending January 29, 2010 to the two-week period beginning February 12, 2010 and ending February 26, 2010. The reason for this postponement is that there has been a temporary increase in customer orders recently that require the Company to continue production past the original dates of the layoffs.

By providing this notice, the Company does not concede or admit that the WARN Act applies, or that this notice or the November Notice is otherwise required. All other provisions of the November Notice remain in effect.

Should you require further information regarding the planned reductions in force, you may contact me at 269-668-3397 Ext. 314.

Very truly yours,

Jackie Kleino
Human Resources Manager
