Lansing, MI 48913

Dear Sir or Madam,

Android Industries L.L.C. – Sterling Heights facility located 27767 George Merrelli Drive, Warren, MI 48092 is scheduled to eliminate the afternoon shift operation on March 17, 2008. The approximate number of affected workers is 111 (4 salary, 29 indirect and 78 direct). The employment loss is expected to be permanent unless customer requirements change. Due to the nature of this closure bumping rights are enforceable.

The chief elected officer of all our represented workers is:

Frank Stuglin, President – Local 155
27800 George Merrelli Drive
Warren, MI 48092

For further information regarding the mass layoff, please contact Chris Kirkum at (586) 558-8504.

Sincerely,

Kim Madaus
People Services Leader

Dear Sir or Madam,

Our facility was notified yesterday from Chrysler – SHAP of a one week extension for the impending afternoon shift elimination. Therefore, we are amending our original WARN notice as follows (changes are bold faced and underlined):

Android Industries L.L.C. – Sterling Heights facility located 27767 George Merrelli Drive, Warren, MI 48092 is scheduled to eliminate the afternoon shift operation on **March 24, 2008**. The approximate number of affected workers is 111 (4 salary, 29 indirect and 78 direct). The employment loss is expected to be permanent unless customer requirements change. Due to the nature of this closure bumping rights are enforceable.

The chief elected officer of all our represented workers is:

Frank Stuglin, President – Local 155
27800 George Merrelli Drive
Warren, MI 48092

For further information regarding the mass layoff, please contact Chris Kirkum at (586) 558-8504.

Sincerely,

Kim Madaus
