Re: Commuter Transportation Company

Dear Ms. Canfora:

The owner of Commuter Transportation Company is permanently closing its operations located at 26500 Van Born Road, Dearborn Heights, Michigan 48125-1340, effective June 30, 2009.

It is anticipated that all employees will be laid off from employment permanently. The cessation of operations may constitute a plant closing or mass layoff under the Worker Adjustment and Retraining Notification Act ("WARN").

All of the Company's positions and jobs will be permanently eliminated. We anticipate that employee terminations will take place during the period of June 30, 2009 through July 13, 2009. Some positions may be terminated shortly thereafter as a result of necessary wind-down operations. Bumping rights may exist in connection with the employee terminations. Attached are lists of the job positions of the affected employees.

If you have any questions, please contact me at your convenience at 313.963.1000.
