RE: Notice of Mass Layoff

Dear Deborah Hennessey:

This notice is being provided to you pursuant to the federal Worker Adjustment and Retraining Notification Act of 1988. Creative Engineered Polymer Products LLC will permanently close the Belleville Ohio manufacturing operation located at 8707 Samuel Barton Drive, Belleville, Michigan 48111 between the dates of December 2 - December 16, 2006.

As a result, this event will result in the permanent closure of the Belleville plant. The employees at this facility are not represented by the Union and will have no bumping rights. The approximate number of employee in total affected by this closure is 150.

If you have any questions concerning this WARN notice or the Belleville plant closing, you may contact Cindy Brumbaugh at 3560 West Market Street, Suite 340, Akron, Ohio 44333, (330) 664-2945 x 216 or William Wahl, Plant Manager at (734) 397-5000 x 1220.

Sincerely,

A handwritten signature in black ink that reads "Cindy Brumbaugh". The signature is written in a cursive, flowing style.
