RE: Extension of Notice

Dear Ms. Canfora:

Doctors' Hospital of Michigan distributed WARN notices to all employees on November 4, 2010. In that notification, *"The expected changes mentioned would occur as early as January 3, 2011 and it is expected that all employees will be affected during the closing or restructuring."*

In compliance with the Worker Adjustment and Retraining Notification Act (WARN), (Extension of Notice), this letter serves as the extension of notice of a potential facility closing or potential mass layoff, within the meaning of WARN, at:

Doctors' Hospital of Michigan
461 West Huron
Pontiac, MI 48341
(248) 857-7200

The entire Doctors' Hospital of Michigan (DHM) may be closed on a permanent basis or may have a mass layoff. The expected changes mentioned would occur as early as January 28, 2011 and it is expected that all employees will be affected during the closing or restructuring.

The reason for postponement (from the original date) is due to ongoing discussions and continued efforts to restructure or sell the facility. Again, should those efforts fail, Doctors' Hospital of Michigan could cease all operations and/or lay-off all or a large portion of its employees.

Notice has been provided to all DHM employees and to the respective unions.

The contact person for the Company is Melinda Lyons, whose telephone number is (248) 857 - 7123. Please direct any questions or requests for further information to Ms. Lyons.

Sincerely,

Clarence M. Sevillian, II
President and CEO
