Subject: WARN Act Notice

Dear Governor Granholm

Please be advised that this communication is being provided pursuant to the Worker Adjustment and Retraining Notification Act. This letter is to advise you that a "mass layoff" as defined by the Act will take place at the Ford Michigan Truck Plant located at 38303 Michigan Ave., Wayne, MI 48184.

It is anticipated that approximately 1004 hourly will be affected by the "mass layoff" on or about April 30, 2007. This "mass layoff" will be indefinite. The number of employees by classification outlined in this letter may be less due to the experience of potential attrition, e.g., voluntary quits, retirements, transfers, etc., between now and the effective date of this action.

The following are the classifications and the number of affected employees presently occupying these classifications:

CLASSIFICATION	NUMBER OF EMPLOYEES
ASSEMBLY ASSOCIATE	957
ELECTRICIAN	19
MILL WRIGHT	8
PIPE FITTER	4
WELDER	5
CARPENTER	4

TOOL MAKER	3

The International Union, United Automobile, Aerospace and Agricultural Implement Workers of America (UAW) represent the above hourly job classifications. The hourly employees have seniority rights and bumping rights protected by the collective agreement. The names and addresses of UAW leadership representing the employees are as follows:

- National UAW President Ron Gettlefinger, 8000 E. Jefferson Ave., Detroit, MI 48214
- National UAW Ford Depart. Vice President Bob King, 8000 E. Jefferson Ave., Detroit, MI 48214
