RAPID RESPONSE
WORKFORCE PROGRAMS

Dear Ms. Hennessey:

Please be advised that Georgia-Pacific Corporation will permanently close its facility located at 2212 Dickerson Rd. Gaylord Michigan, effective Monday, March 6, 2006. Although some employees will remain on the payroll in order to effectuate the physical closure of the facility, the vast majority of employees will exit the facility on March 6. Accordingly, this correspondence will serve as 60-day plant closing notification as required by the Worker Adjustment and Retaining Notification Act, 29 U.S.C. 2101 ("WARN").

Georgia-Pacific will provide all employees with 60-days plant closing notice, or pay in lieu of notice, in accordance with WARN, and will work closely with affected employees and their designated collective bargaining representative - the International Association of Machinists and Aerospace Workers District W-3, 718 Grand Avenue, Suite 1, Schofield Wisconsin, 54476, 715-355-9728- to minimize the impact of this business decision.

Attached please find a list of the affected job classifications, the number of employees in each classification, and wage rates. Final remuneration will be made to the affected employees consistent with the Company's usual payroll practices. If you have any questions or need additional information, please contact Orville Shockey, 2212 Dickerson Rd. Gaylord Michigan, 989-732-5151 ext. 254. Thank you for your cooperation.

Sincerely,

Orville Shockey
