Re: *JDC Logistics, Inc.*

Dear Mr. Steenbergh:

On October 2, 2007, JDC Logistics, Inc. ("JDC") made a voluntary Assignment for the Benefit of its creditors under Chapter 128 of the Wisconsin Statutes. I have been appointed as Receiver for the business by the Circuit Court for Milwaukee County, Wisconsin, Case No. 2007CV1920.

We are hereby giving you notice as of this date that effective December 7, 2007, JDC is terminating its employees and permanently closing its entire facility located at 25585 Sherwood Avenue, Warren, Michigan. The terminations and the closure will be permanent.

The termination will affect approximately 14 employees. JDC has provided you with as much advance notice as was practicable under these circumstances, considering the fact that JDC is facing unforeseen business circumstances that have occurred while it has been actively seeking capital that it reasonably believed would be available to keep the business operational, and that it reasonably and in good faith believed that giving any prior notice would have prevented it from obtaining that capital.

Additional information concerning this matter can be obtained from Michael S. Polsky, Court Appointed Receiver, at 414-273-4200. We have also sent this letter to the Michigan Department of Labor & Economic Growth, Workforce Transition Unit

The information provided in this letter is based upon the best information available to JDC at this time. This letter is provided pursuant to state and federal laws which encourage employers who are not required to comply with the plant closing notice statutes to nonetheless provide such notice, and should not be construed as an admission of coverage under 29 U.S.C. § 2101 *et seq.*

Very truly yours,

BECK, CHAET, BAMBERGER & POLSKY, S.C.
