WORKFORCE TRANSITION

Mr. Ron Olesky
Michigan Department of Career Development
Workforce Transition Unit, Victor Office Center, 5th Floor
201 North Washington Square
Lansing, Michigan 48913

Dear Mr. Olesky:

Please allow this letter to serve as WARN Act notification that our service center at **7430 Second Avenue, Ste. 800, Detroit, Michigan 48202** will be closing effective February 28, 2003. There are 28 people at this location. Because there are less than fifty people involved technically this office closure is not required to follow the WARN Act guidelines, however, we would like to take advantage of the benefits of your services for our employees and so we are reporting it to you anyway.

This office is closing as a result of the loss of a contract. There is no expectation that the circumstances will change to alter the closing of this office. This office is governed by a UAW Local 2256 union contract. All the employees and the union have already been verbally notified of this office closure.

Please contact me to coordinate activities at this location. I will be traveling to this location the week of January 20, 2003 to begin transition activities and invite you to join me there to deliver information from and about the local services available to those effected by this office closing.

Sincerely,

A handwritten signature in cursive script that reads "Linda L. Quinn".
