Re: Notification of Layoff in the Event of Application of the Worker Adjustment and Retraining Notification Act

Dear Sir/Madam:

Pursuant to the provisions of the Worker Adjustment and Retraining Notification ("WARN") Act, Northwest Airlines, Inc. ("NWA") is providing notice that formal layoff notices will be sent to 63 employees with the job title of pilot who are based at the Detroit Metro airport in Romulus, Michigan. The effective date of the layoffs will be January 31, 2003. The name of the union being affected by these layoffs is the Air Line Pilots Association ("ALPA"). The name and address of the ALPA National President is Duane Woerth, 1625 Massachusetts Ave. NW, Washington, DC 20036. The name and address of the ALPA Northwest Airlines Master Executive Council Chairman is Mark A. McClain, 7900 International Drive, Suite 875, Bloomington, MN 55425.

The 63 pilots affected by these layoffs are the most junior pilots in the Northwest system not presently on layoff, and therefore have no bumping rights. The layoffs are expected to be permanent. The address of the employment site is Edward H. McNamara Terminal, Building 830/DTW Metro Airport, Door E2124, 2616 WorldGateway Place, Romulus, MI 48242. (Northwest Airlines does not admit that these employees are working at a single site of employment or that the WARN Act applies to these employees.)

All additional information specified in 20 CFR Section 639.7(e) is maintained at a central location and will be provided upon request. If you have any questions or need any additional information regarding the layoffs, please contact Robert Tice at Northwest Airlines, Inc. at Flight Operations, 2616 WorldGateway Place, Romulus, MI 48242 or at 612-727-4039.

Sincerely,
