Dear Ms. Canfora:

This letter serves as an **update** to both my February 24, 2010 and April 28, 2010 letters regarding a notice of a possible “plant closing” under the Worker Adjustment and Retraining Notification Act (“WARN”) for PNC’s facility located at 400 West Fourth Street, Royal Oak, Michigan.

As background, on December 31, 2008, the legal merger of The PNC Financial Services Group, Inc., (“PNC”) and National City Corporation (“National City”) was completed. The merger of the two organizations and conversion of our systems results in certain redundancies between National City and PNC operations. The possible “plant closing” at the Royal Oak facility results primarily from PNC’s decision to consolidate the work performed by several business segments at that location into other centralized PNC locations.

Below is information relating to 29 additional positions that will be eliminated at the Royal Oak location. Together with the 71 position eliminations we communicated earlier, PNC has currently determined that a total of 100 positions will be eliminated as a result of a “plant closing” at the Royal Oak facility.

1. For purpose of this update only, we have concluded that the relevant affected employment site is 400 West Fourth Street, Royal Oak, Michigan. The name and telephone number of the company official to contact for further information is Brian Ferguson (412) 768-8500.
2. The displacements occurring as a result of the merger are expected to be permanent.
3. Unless the employees obtain employment elsewhere within PNC or with another employer prior to their expected date of displacement, the employment of the 29 additional employees at the Royal Oak, Michigan location is expected to be terminated during the 14-day period beginning on July 9, 2010.
