WORKFORCE TRANSITION

Dear Ms. Hennessey:

This letter is to inform your office of a planned reduction in force by Robert Bosch Fuel Systems Corporation. The notice is to comply with the federal Worker Adjustment and Retraining Notification (WARN) Act.

The employment site for which the reduction in force is planned is located at 4300 44th St SE, Kentwood, MI 49512. The reduction in force is expected to be permanent. The expected date for the second group of separations is within 14 days after July 25, 2003. Available to you at your request is a list of job titles of positions affected, and the number of affected employees in each job classification. There may be bumping rights available to the employees involved. Affected employees are represented by United Auto Workers, Region 1-D, Local 167. The chief elected officers of such union are Herbert Benedict, President and Robert Buchanan, Bargaining Chairman.

For further information, please contact Heidi Hayes at (616) 554-6901 or myself at (616) 554-6509.

Sincerely,

James A. Hagene
Vice President, Administration

WORKFORCE TRANSITION

Dear Ms. Hennessey:

This letter is to inform you of a change in the notification you have already received regarding Robert Bosch Fuel Systems Corporation's layoff plan for the plant closing at its facility located at 4300 44th St SE, Kentwood, MI 49512. This notice is to comply with the federal Worker Adjustment and Retraining Notification (WARN) Act.

This change is due to a delay in the plan for moving the Unit Injector product line to Charleston, South Carolina. Available to you at your request is a list of job titles of positions affected, the number of affected employees in each job classification and the corresponding new layoff dates.

There may be bumping rights available to the employees involved. Affected employees are represented by United Auto Workers, Region 1-D, Local 167. The chief elected officers of such union are Herbert Benedict, President and Robert Buchanan, Bargaining Chairman.

If you have any questions regarding this, please contact Heidi Hayes at (616) 554-6901 or myself at (616) 554-6509 for further information.

WORKFORCE TRANSITION

Dear Ms. Hennessey:

This letter is to inform you of a change in the notification you have already received regarding Robert Bosch Fuel Systems Corporation's layoff plan for the plant closing at its facility located at 4300 44th St SE, Kentwood, MI 49512. This notice is to comply with the federal Worker Adjustment and Retraining Notification (WARN) Act.

This change is due changes in manpower and machine move plans. Available to you at your request is a list of job titles of positions affected, the number of affected employees in each job classification and the corresponding new layoff dates. There may be bumping rights available to the employees involved. Affected employees are represented by United Auto Workers, Region 1-D, Local 167. The chief elected officers of such union are Herbert Benedict, President and Robert Buchanan, Bargaining Chairman.

If you have any questions regarding this, please contact Tiffany Badgero at (616) 554-6902 or myself at (616) 554-6509 for further information.

Sincerely,

A handwritten signature in black ink that reads "James A. Hagene" followed by a stylized "HB" monogram.

WORKFORCE TRANSITION

Dear Ms. Hennessey:

This letter is to inform your office of a planned reduction in force by Robert Bosch Fuel Systems Corporation. The notice is to comply with the federal Worker Adjustment and Retraining Notification (WARN) Act.

The employment site for which the reduction in force is planned is located at 4300 44th St SE, Kentwood, MI 49512. The reduction in force is expected to be permanent. The expected date for the thirteenth group of separations is within 14 days after October 10, 2003. Available to you at your request is a list of job titles of positions affected, and the number of affected employees in each job classification. There may be bumping rights available to the employees involved.

Affected employees are represented by United Auto Workers, Region 1-D, Local 167. The chief elected officers of such union are Herbert Benedict, President and Robert Buchanan, Bargaining Chairman.

For further information, please contact Tiffany Badgero at (616) 554-6902 or myself at (616) 554-6509.

WORKFORCE TRANSITION

October 8, 2003

Deborah Hennessey
Michigan Department of Career Development
Workforce Transition Unit
5th Floor – Victor Office Center
201 North Washington Square
Lansing, MI 48913

Dear Ms. Hennessey:

This letter is to inform your office of a planned reduction in force by Robert Bosch Fuel Systems Corporation. The notice is to comply with the federal Worker Adjustment and Retraining Notification (WARN) Act.

The employment site for which the reduction in force is planned is located at 4300 44th St SE, Kentwood, MI 49512. The reduction in force is expected to be permanent. The expected date for the twentieth group of separations is within 14 days after December 12, 2003. Available to you at your request is a list of job titles of positions affected, and the number of affected employees in each job classification. There may be bumping rights available to the employees involved. Affected employees are represented by United Auto Workers, Region 1-D, Local 167. The chief elected officers of such union are Herbert Benedict, President and Dennis Brown, Bargaining Chairman.

For further information, please contact Tiffany Badgero at (616) 554-6902 or myself at (616) 554-6509.

Sincerely,

James A. Hagene
Vice President, Administration

WORKFORCE TRANSITION

Dear Ms. Hennessey:

This letter is to inform you of a change in the notification you have already received regarding Robert Bosch Fuel Systems Corporation's layoff plan for the plant closing at its facility located at 4300 44th St SE, Kentwood, MI 49512. This notice is to comply with the federal Worker Adjustment and Retraining Notification (WARN) Act.

This change is due changes in manpower and machine move plans. Available to you at your request is a list of job titles of positions affected, the number of affected employees in each job classification and the corresponding new layoff dates. There may be bumping rights available to the employees involved. Affected employees are represented by United Auto Workers, Region 1-D, Local 167. The chief elected officers of such union are Herbert Benedict, President and Dennis Brown, Bargaining Chairman.

If you have any questions regarding this, please contact Tiffany Badgero at (616) 554-6902 or myself at (616) 554-6509 for further information.

Sincerely,

James A. Hagene

Dear Ms. Hennessey:

This letter is to inform your office of a planned reduction in force by Robert Bosch Fuel Systems Corporation. The notice is to comply with the federal Worker Adjustment and Retraining Notification (WARN) Act.

The employment site for which the reduction in force is planned is located at 4300 44th St SE, Kentwood, MI 49512. The reduction in force is expected to be permanent. The expected date for the separations is within 14 days after April 9, 2004. Available to you at your request is a list of job titles of positions affected, and the number of affected employees in each job classification. There may be bumping rights available to the employees involved. Affected employees are represented by United Auto Workers, Region 1-D, Local 167. The chief elected officers of such union are Herbert Benedict, President and Dennis Brown, Bargaining Chairman.

For further information, please contact Tiffany Badgero at (616) 554-6902 or myself at (616) 554-6509.

Dear Ms. Hennessey:

This letter is to inform you of a change in the notification you have already received regarding Robert Bosch Fuel Systems Corporation's layoff plan for the plant closing at its facility located at 4300 44th St SE, Kentwood, MI 49512. This notice is to comply with the federal Worker Adjustment and Retraining Notification (WARN) Act.

This change is due changes in manpower and machine move plans. Available to you at your request is a list of job titles of positions affected, the number of affected employees in each job classification and the corresponding new layoff dates. There may be bumping rights available to the employees involved. Affected employees are represented by United Auto Workers, Region 1-D, Local 167. The chief elected officers of such union are Herbert Benedict, President and Dennis Brown, Bargaining Chairman.

If you have any questions regarding this, please contact Tiffany Badgero at (616) 554-6902 or myself at (616) 554-6509 for further information.

WORKFORCE TRANSITION

Dear Ms. Hennessey:

This letter is to inform you of a change in the notification you have already received regarding Robert Bosch Fuel Systems Corporation's layoff plan for the plant closing at its facility located at 4300 44th St SE, Kentwood, MI 49512. This notice is to comply with the federal Worker Adjustment and Retraining Notification (WARN) Act.

This change is due changes in manpower and machine move plans. Available to you at your request is a list of job titles of positions affected, the number of affected employees in each job classification and the corresponding new layoff dates. There may be bumping rights available to the employees involved. Affected employees are represented by United Auto Workers, Region 1-D, Local 167. The chief elected officers of such union are Herbert Benedict, President and Michael Higgins, Bargaining Chairman.

If you have any questions regarding this, please contact Tiffany Badgero at (616) 554-6902 or myself at (616) 554-6509 for further information.

Sincerely,

James A. Hagene
Plant Manager
