Dear Ms. Canfora:

This notice is being provided pursuant to regulations contained in the Worker Adjustment and Retraining Notification (WARN) Act of 1988, which requires affected employers to provide notice to certain government officials of a pending mass layoff or permanent closure.

This is to advise you that the Riverview plant of Taminco Higher Amines Inc. will permanently close in the late fall, 2009, early winter 2010 time frame. The plant is closing due to business reasons. The plant is located at 17168 West Jefferson Avenue in Riverview, MI. The number of employees affected is 80. A list of the affected positions and expected layoff dates is enclosed. Affected employees do not have bumping rights into other Taminco plants. All affected employees have been notified of the plant closure.
