Dear Ms. Hennessey:

To the extent the Worker Adjustment Retraining and Notification Act may be deemed to apply, this letter will formally notify you that Tec-Mar Distribution Services, Inc. intends to permanently cease operations and to close the entire manufacturing facility located at 500 Centerpoint Parkway, Pontiac, Michigan, 48341 (known as the "Tec-Mar Pontiac facility").

The expected date of the commencement of the layoffs associated with the closure is June 30, 2006 and the closure is expected to be complete by July 31, 2006.

It is expected that approximately 165 employees will be affected by the Pontiac closure. Since the business is being awarded to another company who will operate out of the same building, the impact on jobs could be minimal. If you have any questions or need further information regarding the closing, please contact me at 810 523-0875.
