**Re: *Wellington Almont, LLC
Notice of Plant Closing***

Dear Director Canfora:

The purpose of this Notice is to advise you that Wellington Almont, LLC, a facility located at 3776 Van Dyke, Almont, Michigan 48003, will close effective March 15, 2009. For further information to enable your office to provide assistance to affected employees, please contact Gary Sievert, Director of Human Resources, at his telephone number of (734) 942-1060, ext. 212, or his office address of 39555 I-94 S. Service Drive, Belleville, Michigan 48111.

This will be a permanent closure of the entire facility.

The expected date of the first separation and all separations will be March 15, 2009.

Also, attached is a list of the names of the 108 employees and their job classifications, as well as a list of the number of employees in each job classification.

Please be advised that employees at the Almont facility are not represented by a union. Additionally, there are no bumping rights.

Enclosed with this Notice is a copy of the Notice that is being sent to each employee at the plant explaining the business reasons for this very difficult decision by the Company. This Notice is intended to serve as the notice required under the federal law known as WARN (Public Act 100-379) and is being provided to you and to the Village of Almont President and Village Manager.

Sincerely,
John Brodowsky

January 9, 2009

TO: ALL WELLINGTON ALMONT, LLC EMPLOYEES

NOTICE OF PLANT CLOSING

Dear Employee:

Unfortunately, due to the state of the economy and the impact it has had on our customers, we have made the very difficult decision to close the Almont plant. The plant will close as of March 15, 2009. Under a federal law called "WARN," we are required to provide you with notice of the plant closure. We are also required to provide notice to the State of Michigan and to the Village of Almont. We are providing separate notices to both of those entities and are also providing them with a copy of this letter.

Also under the WARN law, we are required to provide you with the following information:

1. This will be a permanent closure of the entire Almont plant.
2. All employees will be permanently laid-off as of March 15, 2009.
3. There are no bumping rights.
4. For further information and assistance, please contact Gary Sievert, Director of Human Resources, at his telephone number of (734) 942-1060, ext. 212, or his office address of 39555 I-94 S. Service Drive, Belleville, Michigan 48111.

Currently, there are 108 employees at the Almont plant. As you know, due to customer plant shutdowns and lower releases from customers, the majority of employees were temporarily laid-off in December. Because of further customer plant shutdowns and even lower releases, the temporary layoffs will continue longer than originally planned. As individuals are needed to help produce and ship product to customers, they will be contacted by telephone to return to work from the temporary layoff. However, all employees will be permanently laid off as of March 15, 2009.

Between now and March 15, we will keep your health insurance in place. However, the health insurance plan will be discontinued as of March 15, 2009 when the plant closes. You will be provided with information regarding the possibility of purchasing health care insurance

directly from Blue Cross Blue Shield, contingent upon Blue Cross Blue Shield being willing to engage in that undertaking.

We are truly sorry to have to provide you with this information but, unfortunately, in our business judgment, there is no alternative. This is one of the hardest business decisions the Company has ever had to make, and we have done so most reluctantly.

Sincerely,

John Brodowsky

John Brodowsky
President
