RE: Notice of Facility Closing Pursuant to the Worker Adjustment and Retraining Notification Act of 1988 (“WARN”)

This notice is being given to you under the Worker Adjustment and Retraining Notification Act of 1988 (“WARN”). WARN requires employers to give official notice to certain governmental units or officials of a pending plant closing or mass layoff.

As you may be aware, Yamaha Musical Products has been in business in Kentwood, Michigan for over 33 years. Due to economic conditions, the Company plans to permanently shut-down its Kentwood operation. As a result, 197 employees at the Company’s operation at 3445 East Paris Ave., Kentwood, Michigan will be permanently laid off. Certain Employees have bumping rights pursuant to the Collective Bargaining Agreement between the Company and the International Union, United Automobile, Aerospace and Agricultural Implement Workers of America, and its Local 19 UAW (“Union”).

Although the exact timing of the closing has yet to be determined, it is anticipated to take place between April 14, 2007 and April 27, 2007. Attached is a list of the job titles and number of employees in each job title affected by this action.

Yamaha Musical Products regrets that this action is necessary. The Company is developing plans to ensure an orderly shut down of operations, and will be meeting with representatives of the Union to address the effects of this decision on bargaining unit employees. The names and addresses of the chief elected union officials appear at the end of this Notice. We hope to accomplish this plant closure with the least possible disruption to the lives of our employees and to the community.

If you have any questions, please contact Carol Baker, Vice President of Human Resources at (714) 522-9184.

Respectfully,

Brian J. Jemelian
Secretary
