Brenda Rogers

## **II. Introduction of Members and Staff**

There are no new members at this time.

## **III. Declaration of Conflicts of Interests**

No conflicts of interest were stated at this time.

## **IV. Review of Agenda**

Chairperson Joseph declared the purpose for today's meeting.

Motion by Dr. Bock, seconded by Mr. Ball, to accept the agenda as presented. Motion Carried.

## **V. Review of Minutes – February 21, 2007**

Dr. Bock noted that on page 3 of the minutes there needs to be a correction to the Vanderlaan/Lewis Motion because he did not abstain from voting.

Motion by Mr. Ball, seconded by Dr. Lewis, to accept the minutes with the modification on page 3 to the Vanderlan/Lewis Motion. Motion Carried.

## **VI. Review & Analyze Options in the Context of the Four “Charges”**

- A. Review whether facilities providing cardiac catheterization services in Michigan should be required to participate in either or both Blue Cross of Michigan Cardiovascular Consortium (BMC2) registry and the American College of Cardiology National Cardiovascular Data Registry (ACC-NCDR)

Dr. Mauro Moscucci from the University of Michigan provided the Committee with a slide show presentation regarding data on trying to integrate the 2 registries. Discussion followed.

Ms. Eva Kline-Rogers from the University of Michigan provided the Committee with feedback/data from the meeting held in New Orleans by the American College of Cardiology. Discussion followed.

Ms. Sandy Reoma from Blue Cross Blue Shield of Michigan provided a slide show presentation regarding information on behalf of the BMC2. Discussion followed.

Dr. Eric Bates from the University of Michigan provided the Committee with a brief slide show presentation regarding the National Cardiovascular Data Registry. The Committee requested to have a member of the NCDR come to a meeting to present information about the registry. Discussion followed.

### Public Comment

Mark Mailloux, University of Michigan  
Robert Meeker, Spectrum Health

Break from 11:15 a.m. to 11:35 a.m.

- B. Review and examine minimum physician volume requirements and institutional volume requirements in the Certificate of Need Review Standards for Cardiac Catheterization Services

Ms. Joseph provided a brief overview. The question was raised as to where the number 400 came from. Discussion followed.

Public Comment

Dr. Moscucci, University of Michigan  
Dr. Weaver, Henry Ford

Lunch Break from 12:30 p.m. to 1:32 p.m.

C. Consider New and Emerging Technology

The Committee reviewed technology that is currently in the Standards. Chairperson Joseph wants the Committee to check if there are any new technologies that should be incorporated in the Standards and also determine how they would impact, if any, the current institutional Cardiac Cath volumes. Discussion followed.

D. How to demonstrate need and compliance looking at geographic locations, volume and types of procedures

The Department reported that as of today, there have not been any complaints regarding access. Discussion followed.

**VII. Public Comment**

Barb Jackson, Economic Alliance for Michigan

**VIII. Next Steps**

Chairperson Joseph stated that the Committee has a lot of reviewing and research to do.

**IX. Future Meeting Dates 2007**

April 25  
May 22  
June 20

**X. Adjournment**

Motion by Mr. Ball, seconded by Dr. Lewis, to adjourn the meeting at 2:45 p.m. Motion Carried.
