

**Report on the New Distribution of Funding to each
eligible hospital from the GME and DSH Pools**

(FY2012 Appropriation Bill – Public Act 63 of 2011)

September 30, 2012

Section 1699: (1) The department may make separate payments in the amount of \$45,000,000.00 directly to qualifying hospitals serving a disproportionate share of indigent patients and to hospitals providing GME training programs. If direct payment for GME and DSH is made to qualifying hospitals for services to Medicaid clients, hospitals shall not include GME costs or DSH payments in their contracts with HMOs. (2) The department shall allocate \$45,000,000.00 in DSH funding using the distribution methodology used in fiscal year 2003-2004. (3) By September 30 of the current fiscal year, the department shall report to the senate and house appropriations subcommittees on community health and the senate and house fiscal agencies on the new distribution of funding to each eligible hospital from the GME and DSH pools. (4) The department shall form a workgroup on DSH funding consisting of representatives from hospitals and hospital systems receiving DSH funding and the Michigan health and hospital association. The workgroup shall work to derive a new DSH formula or formulas designed to provide equitable payments to qualifying hospitals. The department shall report to the senate and house appropriations subcommittees on community health and the senate and house fiscal agencies on the results of the workgroup's efforts by March 1 of the current fiscal year.
