

REPORT ON DISTRIBUTION FOR DSH (2 POOLS)

(FY2008 Appropriation Bill - Public Act 123 of 2007)

September 30, 2008

Section 1717: (1) The department shall create 2 pools for distribution of disproportionate share hospital funding. The first pool, totaling \$45,000,000.00, shall be distributed using the distribution methodology used in fiscal year 2003-2004. The second pool, totaling \$5,000,000.00, shall be distributed to nonpublic unaffiliated hospitals and hospital systems that received less than \$900,000.00 in disproportionate share hospital payments in fiscal year 2003-2004 based on a formula that is weighted proportional to the product of each eligible system's Medicaid revenue and each eligible system's Medicaid utilization, except that no payment of less than \$1,000.00 shall be made. (2) By September 30, 2008, the department shall report to the senate and house appropriations subcommittees on community health and the senate and house fiscal agencies on the new distribution of funding to each eligible hospital from the 2 pools.
