

DISTRIBUTION OF TWO POOLS FOR DSH

(FY2005 Appropriation Bill - Public Act 349 of 2004)

November 1, 2004

Section 1717: (1) The department shall create 2 pools for distribution of disproportionate share hospital funding. The first pool, totaling \$45,000,000.00, shall be distributed using the distribution methodology used in fiscal year 2003-2004. The second pool, totaling \$5,000,000.00, shall be distributed to unaffiliated hospitals and hospital systems that received less than \$900,000.00 in disproportionate share hospital payments in fiscal year 2003-2004 based on a formula that is weighted proportional to the product of each eligible system's Medicaid revenue and each eligible system's Medicaid utilization. (2) By November 1, 2004, the department shall report to the senate and house appropriations subcommittees on community health and the senate and house fiscal agencies on the new distribution of funding to each eligible hospital from the 2 pools.
