

CSHCS ALERT #11-2012 - 2nd Advance Notice to CSHCS/MA Families
Wed 9/5/2012

Please do not respond to this email. If you have any questions please contact Rebecca Start.

Good Morning!

The second letter to CSHCS/MA families as advance notice of the transition of medical care and treatment to the Medicaid Health Plans (MHP) was sent to UP families on August 27, 2012. Letters to the remainder of the state will be mailed September 6. The appropriate FAQ document is included in all mailings. Letters to clients age 18+ also include the DCH-1183 Authorization to Release Protected Health Information.

The mailing list was sorted by DHS case number. Households with more than one CSHCS/Medicaid enrollee with the same case number were mailed only one letter.

MI ENROLLS will soon begin mailings to UP beneficiaries confirming their enrollment in the UP Health Plan effective 10/1/12. In October, MI Enrolls will begin sending enrollment packets to CSHCS/MA clients in the LP. The letters will be mailed to the address associated with the beneficiary's DHS case number. Families may check or change their address at www.michigan.gov/mibridges or contact the DHS case worker.

As a reminder, clients who have private HMO/PPO insurance coverage (OI 89) are excluded from enrolling in a MHP. Families with HMO/PPO insurance coverage should contact MI ENROLLS immediately if they receive an enrollment packet.
