From: Courtney Pendleton

Good Afternoon CSHCS Partners,

I am writing to let you know I have accepted another position and will be leaving CSHCS. My last day with the program is on Thursday, April 23rd.

From this point forward, if you have a question regarding Accreditation, please contact Courtney Adams at 517-241-7182 or AdamsC3@michigan.gov. If Courtney is unavailable, please contact Matt Richardson at 517-335-8994 or RichardsonM@michigan.gov.

If you have a question regarding Transportation, please contact Sherry Kertesz at 517-241-7420 or KerteszS@michigan.gov. If you are referring a family regarding transportation questions, please continue to refer them to the Family Phone Line.

I want you all to know I am grateful for all of the opportunities I've had in my four years with CSHCS. Thank you for talking with me about Accreditation and Transportation, and teaching me so much about CSHCS and our families. I value each one of the visits, meetings, and phone calls with all of you. The work you all do is incredible, and I'm fortunate to have been part of this program. I wish you all, and CSHCS, continued success!
