

CSHCS INFO #11-2015 Sibshops Training  
Fri 3/20/2015 5:14 PM

The Family Center for Children and Youth with Special Health Care Needs (Family Center) is excited to be sponsoring a two-day Sibshop Facilitator Training on May 1 and 2, 2015 in Lansing. We invite you to be a part of this statewide Sibshop initiative, which is offered at no cost to participants. Sibshops are workshops designed for typically developing siblings that have brothers or sisters with special needs.

We are asking for your help in recruiting parent leaders within your area who you feel would make a great Sibshop facilitator. Our goal is to have one parent from each Local Health Department attend the workshop to become a trained Sibshop facilitator. In addition, we are seeking 20 typically developing siblings of children with special needs, ages 8-13, to attend the Demonstration Sibshop on the second day of the workshop from 10:00 a.m. to 1:30 p.m. For additional information, see the attached letter and flyer.

Please contact me by phone or email ([LarragaA@michigan.gov](mailto:LarragaA@michigan.gov)) with any questions.

Thank-you,

*Amanda Larraga*
