

# Would you Like to Make a Difference?

## Parent Mentor Training

The Family Center for Children and Youth with Special Health Care Needs invites you to a Parent Mentor Training in **Escanaba, Michigan**.

- Remember when your child was newly diagnosed?
- Would it have helped to have someone to talk with who has “been there”?
- Are you interested in supporting other parents?

In our free, interactive **Parent Mentor Training** learn from a fellow parent about:

- Parent-to-Parent Support
- Communication Skills
- Listening Techniques
- Community Resources

If you are a parent, caregiver, or guardian of a child/youth with special health care needs and would like to make a difference in the lives of others, please join us for a free opportunity to become a trained Parent Mentor.

This training is open to all families who have a child with a medical, physical, developmental, behavioral, or emotional condition. As a trained Parent Mentor, you will become a part of our statewide network of volunteer parents supporting one another, sharing resources, and helping to navigate various systems.
