

CSHCS INFO #8-2015 - Prospective Parents for the CSN Fund Advisory Committee
Wed 3/4/2015 4:34 PM

Dear Colleagues:

The Family Center for Children and Youth with Special Health Care Needs is happy to announce the Children with Special Needs (CSN) Fund is looking for parents to join its Advisory Committee.

The Children with Special Needs Fund (CSN Fund) provides family-centered support for children in Michigan with special health care needs by assisting with the purchase of equipment not available through any other funding source. The Fund focuses on equipment that enhances quality of life, promote optimal health and development, and improve the mobility of the child. Since its inception in 1944, the CSN Fund has worked closely with Children with Special Health Care Services (CSHCS) to provide equipment for thousands of families.

Please share the CSN Fund Advisory Committee Announcement attachment with parents or guardians of children with special needs that may have utilized the CSN Fund and may be interested in providing recommendations on various CSN Fund matters.

Please contact me by phone or email (LarragaA@michigan.gov) with any questions.

Thank-you,

Amanda Larraga
