

OUT-OF-STATE-TRAVEL REPORT

(FY2013 Appropriation Bill - Public Act 200 of 2012)

January 1, 2013

Section 266: (1) The departments and agencies receiving appropriations in part 1 shall prepare a report on out-of-state travel expenses not later than January 1 of each year. The travel report shall be a listing of all travel by classified and unclassified employees outside this state in the immediately preceding fiscal year that was funded in whole or in part with funds appropriated in the department's budget. The report shall be submitted to the house and senate standing committees on appropriations, the house and senate fiscal agencies, and the state budget director. The report shall include the following information: (a) The dates of each travel occurrence. (b) The total transportation and related costs of each travel occurrence, including the proportion funded with state general fund/general purpose revenues, the proportion funded with state restricted revenues, the proportion funded with federal revenues, and the proportion funded with other revenues. (2) If out-of-state travel is necessary but does not meet 1 or more of the conditions in subsection (1), the state budget director may grant an exception to allow the travel. Any exceptions granted by the state budget director shall be reported on a monthly basis to the senate and house of representatives standing committees on appropriations.

*Michigan Department
of Community Health*

**Rick Snyder, Governor
James K. Haveman, Director**
