

OUT-OF-STATE-TRAVEL REPORT

(FY2011 Appropriation Bill - Public Act 187 of 2010)

January 1, 2011

Section 266: (1) Due to the current budgetary problems in this state, out-of-state travel shall be limited to situations in which 1 or more of the following conditions apply:

(a) The travel is required by legal mandate or court order or for law enforcement purposes. (b) The travel is necessary to protect the health or safety of Michigan citizens or visitors or to assist other states in similar circumstances. (c) The travel is necessary to produce budgetary savings or to increase state revenues, including protecting existing federal funds or securing additional federal funds. (d) The travel is necessary to comply with federal requirements. (e) The travel is necessary to secure specialized training for staff that is not available within this state. (f) The travel is financed entirely by federal or nonstate funds. (2) Not later than January 1 of each year, each department shall prepare a travel report listing all travel by classified and unclassified employees outside this state in the immediately preceding fiscal year that was funded in whole or in part with funds appropriated in the department's budget. The report shall be submitted to the senate and house standing committees on appropriations, the senate and house fiscal agencies, and the state budget director. The report shall include the following information: (a) The name of each person receiving reimbursement for travel outside this state or whose travel costs were paid by this state. (b) The destination of each travel occurrence. (c) The dates of each travel occurrence. (d) A brief statement of the reason for each travel occurrence. (e) The transportation and related costs of each travel occurrence, including the proportion funded with state general fund/general purpose revenues, the proportion funded with state-restricted revenues, the proportion funded with federal revenues, and the proportion funded with other revenues. (f) A total of all out-of-state travel funded for the immediately preceding fiscal year.
