

PILOT PROJECTS FOR COMMUNITY RESIDENTIAL SETTINGS

(FY2006 Appropriation Bill - Public Act 154 of 2005)

September 30, 2006

Section 439: (1) It is the intent of the legislature that the department, in conjunction with CMHSPs, support pilot projects that facilitate the movement of adults with mental illness from state psychiatric hospitals to community residential settings. (2) The purpose of the pilot projects is to encourage the placement of persons with mental illness in community residential settings who may require any of the following: (a) A secured and supervised living environment. (b) Assistance in taking prescribed medications. (c) Intensive case management services. (d) Assertive community treatment team services. (e) Alcohol or substance abuse treatment and counseling. (f) Individual or group therapy. (g) Day or partial day programming activities. (h) Vocational, educational, or self-help training or activities. (i) Other services prescribed to treat a person's mental illness to prevent the need for hospitalization. (3) The pilot projects described in this section shall be completely voluntary. (4) The department shall provide semiannual reports to the house of representatives and senate appropriations subcommittees on community health, the state budget office, and the house and senate fiscal agencies as to any activities undertaken by the department and CMHSPs for pilot projects implemented under this section.
