

# NONVIABLE VFC VACCINE RETURNS

## What NOT to Return to McKesson

The following items should *NEVER* be returned to McKesson:

- **Syringes that you filled yourself but did not use.**
- **Any used syringes with or without needles attached.**
- **Broken vials.**
- **Any multi-dose vial from which some doses have already been withdrawn.**

The items listed above should be disposed of according to usual medical biosafety procedures, and according to your immunization program's procedures.

## What Should be Returned to McKesson

The following items should be returned to McKesson:

- **Spoiled or expired product in its original vial or pre-filled syringe.**
- **Unused non-viable pre-filled syringes from manufacturers with an NDC printed on them.**

**Federal excise tax (FET) credits can only be processed for unopened vials and for unopened manufacturer pre-filled syringes. Returns of product other than these are not eligible for FET credit.**

**Reminder: These returns should be sent back to McKesson with a completed Michigan VFC Program Vaccine Storage and Handling Loss Report form in the McKesson box with the preprinted return label.**
