

BENEFITS

for Health Professions Schools

M-SEARCH will...

- ☑ Provide access to a list of clinical sites in underserved areas throughout Michigan that desire students for clinical rotations.
- ☑ Provide you and your students with the opportunity to schedule rotations through a web-based Student↔Clinical Rotation placement matching system.
- ☑ Allow you to schedule students in an M-SEARCH rotation earlier than standard curriculum scheduling procedures.

SCHEDULING

MISSION

- ☑ Support school mission or objective of training knowledgeable, highly-skilled primary care providers who can practice in underserved areas.
- ☑ Provide informational and financial support to remove some of the barriers (costs of travel, housing and meals) to completing a clinical rotation in an underserved area.

- ☑ Provide an opportunity for your students to engage in resume-building experiences such as the completion of a community project.
- ☑ Allow your students experience a culturally diverse clinical setting that may be different from where they grew up or have worked.
- ☑ Provide your students experience working on a multidisciplinary team.
- ☑ Provide students with the opportunity to explore career interests and maintain contact with the clinical site recruiter for potential future employment.
- ☑ Counsel students in the opportunities available for health professions loan repayment programs.
